DIFFERENTIATORS

Veteran-Owned Small Business

Georgia-based VOSB supporting federal, state, local and prime-contractor requirements.

Government Contract Performance

Prior experience serving as a government prime contractor and coordinating trade performance through completion.

Established Trade Network

Long-standing relationships with qualified construction professionals across multiple facility-improvement trades.

Flexible Procurement Capability

Ability to combine service delivery with commercial product and equipment sourcing.

Responsive Project Management

Single point of accountability for vendors, scheduling, procurement, documentation and delivery.

SELECTED PAST PERFORMANCE

ROBINS AIR FORCE BASE - DINING FACILITY FLOORING

KKLAG Industries served as the prime contractor for a commercial flooring improvement project at Robins Air Force Base in Warner Robins, Georgia. KKLGA coordinated subcontractor performance, project execution, contract administration and completion of the required flooring scope.
